Certified Supplier Pavilion from Mainland China

From 9 to 12 Jan. 2023, China Toy & Juvenile Products Association teams up around 120 certified suppliers with their newly released all-category products to attend Hong Kong Toy & Games Fair and Hong Kong Baby Products Fair.

For international buyers who are looking for qualified manufacturers from China, it's a can't-miss opportunity of sourcing and business matching

What is Certified Supplier Initiative?

Certified Supplier Initiative (CSI) is initiated by CTJPA, and the purpose of CSI is to build a reliable platform of searching top-rated qualified Chinese manufacturers which hold valid testing reports and certificates to meet various standards of product safety, safety assurance, social responsibility, and specified standards by individual buyers. CTJPA verifies the validation of all certifications and testing reports submitted by suppliers, which facilitates international buyers to find the desired products and suppliers accurately and efficiently.

China Toy Expo

Held annually since 2002, CTE is Asia's largest B2B toys fair. It is a world-renowned one-stop sourcing hub for international buyers as well as an effective gateway for foreign brands to tap into the China market. Every October, thousands of top-rated suppliers and brand owners showcase a diverse array of toys, games and concepts to over 100,000 domestic and international buyers.

China Licensing Expo

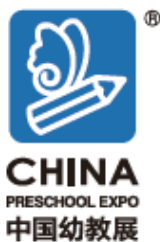

Held annually since 2007, CLE is the largest licensing trade fair in Asia. It is well recognized by licensors, licensees, and retailers as the best platform for business development in China. Many of the world's most influential licensors choose CLE as the only licensing fair to participate in Asia.

China Kids Fair

CKE is the flagship baby products fair in Asia, where overseas buyers can meet and source directly from the largest number of Chinese manufacturers. The suppliers are from main production regions of China and specialize in a wide variety of products. Exhibited products include strollers, baby car seats, baby ride-ons, cribs & baby furniture, feeding products, baby & infant wear, personal cleaning & care products, maternity products etc.

China Preschool Expo

CPE is a leading trade fair for preschool education products and services in China. Over 400 exhibitors with 900 brands both domestic and international gather here to showcase latest products and technology primarily focusing on STEAM toys, playground equipment, school furniture, educational toys etc. At the concurrently held seminars and forums, industry experts get together to impart advanced education concepts and best practices.
